At Geekdom Talks, engage in insightful and interesting discussions as author, actor, director and voice artist **Omar Al Shamma** takes you through his life journey, especially the challenges he faced as one of the founding members of the dubbing movement in the region. Also listen to Dr. Gregory Bergida, who served previously as Director of Student Affairs at Northwestern University in Qatar, talk on **'Immersive Content: Expanding Outward by Looking Inward'**. The final Geekdom Talk is by Professor Leland Hill on **'Life as a Geek'** as he looks back at his childhood and the television shows and movies that influenced and cultivated his love for all things geeky.

The Geekdom Tournaments, at the gaming area sponsored by Virtuocity, are not to be missed. Compete at the **FIFA 19 Tournament**, the latest and greatest edition of the ever-popular EA football video game franchise, organised by Youth Hobbies Centre.
